

Sample Tweets

1. Eren Keskin is a Turkish lawyer and human rights activist. She provides legal aid for women who were raped and sexually abused in Turkish prisons. These atrocities should not be happening and Eren Keskin should not be punished for exposing them.
2. Human rights in Turkey are protected by international law treaties, which take precedence over domestic legislation. Eren Keskin must not be punished for defending #humanrightsinTurkey.
3. Freedom of expression is an internationally recognized Human Right. Eren Keskin must not be prosecuted for defending it.
4. Criticism is not terrorism. Defend Eren Keskin's right to speak.
5. Throughout the world, people who care about #HumanRights stand in solidarity with Eren Keskin.
6. Turkish authorities who respect international law do not undermine it with prosecution of human rights defenders or people who exercise their rights peacefully. Respect #Internationallaw
7. Eren Keskin should be celebrated not prosecuted. Her work defending the #HumanRights of women and children is a shining example to the world.
8. We call upon the Turkish Minister of Justice Abdulhamit Gül to ensure that Eren Keskin will not be imprisoned for exercising her right to freedom of expression.

Call out Turkish officials on twitter:
