Dear President,

Please correct the horrible injustice done to Mohamed Baker. He has been imprisoned without trial and subjected to cruel and harsh treatment. There is no credible evidence that he was involved in terrorism and his detention is more likely related to his peaceful work as a human rights lawyer

I call for Mohamed Baker's immediate and unconditional release, and for closure of all investigations of the absurd charges against him.

Sincerely,

The President

Dear President,

As a human rights lawyer, Mohamed Baker helps the people who need him most – those who have been marginalized and jailed unfairly. Now Baker himself has been locked up unjustly. Falsely accused of terrorism, Baker was never put on trial. Instead he was thrown in jail where prison authorities are confining him to his cell round the clock and cruelly refusing him a bed, mattress, books, newspapers – even family photos.

Defending people's freedoms should not cost him his own. I ask that you release Mohamed Baker immediately and unconditionally, and close all investigations into the bogus accusations made against him.

Sincerely,
